

MEMORANDUM OF INTENT

between

**Faculty of Education and Teacher Training,
Universitas Islam Negeri Raden Intan Lampung, Indonesia
and
Mahasarakham University, Thailand**

Background:

Both parties, with the aim of enhancing collaboration and closer partnership in the fields of education, research, and service, hereby agree to enter into the following cooperation:

Clause 1: Education, Research, and Service Cooperation

The parties agree to work closely to establish a strong connection in education, research, and service. This collaboration will involve the exchange of knowledge, experiences, as well as the exchange of staff, students, and other resources to enhance the quality of education, research, and service at both universities.

Clause 2: Curricula Development

The parties are committed to jointly developing new curricula, courses, and educational programs for undergraduate and graduate levels. The purpose of this cooperation is to provide better opportunities for students to access innovative curricula that meet contemporary needs.

Clause 3: Formalizing the Agreement

The parties agree to strive for the formalization of this agreement through an official agreement that will serve as the basis for an institutional partnership between the two universities. This agreement will encompass the agreed-upon aspects of cooperation.
